Dear John Monley, Monley Law,

On January 13, 2024, I attempted to shop at Ace Hardware at Woodland Crossroads, which is managed by Engstrom Proper LED light from the spycam system that Woodland Crossroads has installed in the parking lot. I screamed out profanity in my on Thomas Street, and chose not to enter the Woodland Crossroads parking lot due to fear of being struck by the blue LED li

Since this is the third incident where I have been injured by the blue LED light and denied full, safe, and equal access to Woc two requests for accommodation, this is formal notice that, unless I received correspondence from Engstrom Properties withi accommodation. As per California Civil Code Section 51, damages can be awarded for each incident. As per Christiansburg

Sincerely,

Mark Baker
